## Occupational Medicine Specialists of Canada (OMSOC) 2019 Annual Conference Sponsorship Opportunity Toronto, Ontario – September 21, 2019

The Occupational Medicine Specialists of Canada (OMSOC) Annual Conference brings together Canadian leaders in occupational medicine and provides a unique educational and networking opportunity for occupational health physicians. We invite your company to connect with Canada's occupational medicine audience in this meaningful setting.

The Occupational Medicine Specialists of Canada was formed in 2006 and serves as the National Specialty Society for occupational medicine in Canada. The mission of OMSOC is to:

- promote the specialty practice of occupational medicine in Canada
- support continuing professional development for its members
- act as the Canadian voice for the specialty of occupational medicine

Each year, our conference explores topics in clinical medicine, professional practice, program management, research and scholarship, health advocacy and communication, and medical education.

The conference is developed in accordance with Royal College Maintenance of Certification standards and we invite all occupational health professionals to attend. It is being held this year in conjunction with the Occupational and Environmental Medical Association of Canada (OEMAC) Annual Conference.

### Sponsor benefits include:

- An acknowledgement of your company in the conference welcome address
- Complimentary registration for one company representative
- Company name and logo on the OMSOC conference website
- Company name and logo displayed at the conference registration desk
- Opportunities to sponsor a break or meal, for an additional cost

We hope your organization will consider sponsoring this year's OMSOC conference. Our sponsorship request for 2019 is \$2,000 - in keeping with the Canadian Medical Association's (CMA's) policies and guidelines, this money will be used as an unrestricted educational grant. We will acknowledge your sponsorship at the outset of the conference, and will include your organization's name and logo on the conference webpage and signage at the registration desk.

Should you have any questions, please contact us at [OMSOC@secretariatcentral.com](mailto:OMSOC@secretariatcentral.com).

On behalf of the 2019 OMSOC Planning Committee, thank you for considering this opportunity.
