

OMSOC

Occupational Medicine Specialists of Canada

2023 ANNUAL SCIENTIFIC MEETING

Modern Challenges for the Occupational Physician in 2023

December 1, 2023

Modern Challenges for the Occupational Physician in 2023

LEARNING OBJECTIVES

Upon completion of this conference, participants will be able to:

- appreciate the overlap of Environmental Health with Occupational Medicine;
- be updated with respect to cannabis and the workplace;
- be aware of the multiple dimensions of burnout in the workplace; and
- understand the legal framework of providing a medical opinion during an Occupational Medicine consult.

ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification (MOC) program of the Royal College of Physicians and Surgeons of Canada and accredited by the Division of Continuing Medical Education, College of Medicine, University of Saskatchewan for up to 5.0 MOC credit hours.

2023 PROGRAM

Recordings and speaker content will not be available post-ASM.
