SPONSORSHIP OPPORTUNITIES

Occupational Medicine Specialists of Canada

WHO WE ARE

The Occupational Medicine Specialists of Canada (OMSOC) was formed in 2006 and serves as the National Specialty Society for Occupational Medicine with the Royal College of Physicians and Surgeons of Canada. The OMSOC Annual Scientific Meeting brings together Canadian and international leaders in occupational medicine to provide a unique educational and networking opportunity for occupational health physicians.

Our mission is to:

1. Promote the specialty practice of Occupational Medicine in Canada;
2. Support continuing professional development for our members; and
3. Act as the Canadian voice for the specialty of Occupational Medicine.

Each year, our conference explores topics in clinical medicine, professional practice, program management, research and scholarship, health advocacy and communication, and medical education. The conference is developed in accordance with Royal College Maintenance of Certification standards and we invite all occupational health professionals to attend.

We invite your company to connect with Canada's occupational medicine audience in this meaningful setting. We hope you will consider sponsoring this year's OMSOC Annual Scientific Meeting.

WHY BECOME A CONFERENCE SPONSOR?

PROMOTE & SHOWCASE your services and solutions to an audience of major industry leaders while fostering opportunities with key physicians and healthcare professionals from across the country; **SHOW YOUR SUPPORT** for the OMSOC vision: workplaces where the health and safety of employees are continually improved through the specialty practice of occupational medicine; and **BE RECOGNIZED** within the medical community as a valued and trusted partner.
